

Chatter Matters

Calling all parents of children in Pre-school to Year 2.

I am writing to inform you of a very exciting course that we are running at St. Michael's, provided by Kent Adult Education.

Developing early communication skills is important and fun.

Chatter Matters is designed to support parents and carers with understanding of the early development of their children's communication. It aims to give you knowledge and skills to support their language progression, through the use of literacy games and activities. It will also promote relationships between parents, children and the wider community.

The sessions will be held commencing **Monday 21st September**, in school between **13:00 and 15:30**. The final 30 minutes will be with your children to put into practise the skills you have learnt. The duration of the course will be for 5 weeks.

I hope that you will feel this is something that will benefit your children and would love to see you at these sessions. I can be contacted if you wish to discuss anything on khamilton@st-michaels-tenterden.kent.sch.uk or via the office

Please indicate on the attached slip if you will be able to attend by Thursday 17th September.

Look forward to seeing/meeting you then.

Kim Hamilton FLO

✂.....

I am able/unable to attend Chatter Matters commencing 21st September.
