

Home Learning

Home Learning takes a different format this year and we are asking parents to concentrate their support on the following:

- **Reading for at least 20 minutes per day.** This can be independent reading, but children will always benefit from being heard read on a regular basis. Encourage your child to make predictions about what might happen next and get them to show you their understanding of the text by asking appropriate questions
- **Practising times tables** – particularly the table we are learning that week, but regular practice of other tables too!
- **Learning spellings.** Your child's spellings are tailored to their individual abilities. Please learn 10 spellings each week. Your child will be asked to continue to practise those spellings they got wrong, so add these into the next week. **Spelling tests will be on a Monday.**
