

How to help with Maths

Many thanks to all of you who showed an interest in the maths sessions for parents. Mrs Garrett and I will be running these at the end of this term.

The purpose of the sessions is to explain to parents how we do our formal calculations in each of the year groups, which will help you to support your children with their home-learning.

We will run three sessions:

Session 1; Monday 18th May from 13:15 to 15:15 for Key stage 2.

Session 2: Tuesday 19th May from 13:15 to 15:15 for Key stage 1.

Session 3: Wednesday 20th May from 18:00 to 20:00 for both Key stages.

This last session will be for those who are unable to attend sessions 1 and 2.

We are looking forward to seeing you on these dates
