

Headteacher: Mrs Sara Williamson

Deputy Headteacher: Mrs Jo Paskhin

Dear Parents/Carers,

Re: Parents' Representative Group

As you already know, we have had a Parents' Representative Group running since December 2014. The group is made up of parent volunteers from each year group who meet on a termly basis with me, Kim Hamilton FLO, Mrs. Williamson and Mrs. Hollis.

We meet to discuss issues that have been brought up by parents on the playground and matters that, as a school we wish to discuss with parents. These sessions have proved to be helpful as we have openly discussed and found resolutions to all types of concerns.

We will be continuing this forum in the new academic year and I would like to increase the representatives from 2 to 3 per class as this means that the responsibility for attending meetings can be shared. This will involve meeting with us 6 times a year for about an hour.

If you are interested then you need to be:

- Approachable.
- Available on the playground before and after school, although not every day.
- Be prepared to share any issues, ideas, comments from others in a calm, positive manner.

If you feel that you would like to be part of this forum, then please complete and return the attached slip ASAP. Those selected, will be chosen to maintain the balance of skills and personalities we already have in our group.

I look forward to hearing from you,

Kind regards

Kim Hamilton FLO

✂.....

I am interested in representing my child's year group as a Parent Representative:

Name:.....

Child's name and year group:.....

Contact number/email address:.....
