

The Tenterden Schools Trust

It is with a sense of great excitement that we are pleased to inform you that St Michael's C of E Primary School, Tenterden Primary Federation (comprising Tenterden C of E Junior School and Tenterden Infants School) and Homewood School and Sixth Form Centre are now working together as a Multi-Academy Trust. The Tenterden Schools Trust was launched on 1st December 2016, and it means that the four schools in the town of Tenterden are now working together in formal partnership, along with Home Farm Nursery which is a subsidiary of the Trust.

The vision for our Trust is "Securing the future for the young people in all our schools"

And our aims are:

- ☒ Striving for excellence in education in all our schools
- ☒ Bringing each unique and distinctive community together to support our young people and their families
- ☒ Providing a seamless and coherent learning experience from 0 – 19

We have exciting plans for the future as we work with our staff, students and pupils to realise all the ambitions we have for the Trust. We hope you will visit our web-site often to find out what we are doing. www.tenterden-schools-trust.com

We will continue to be part of the Tenterden Rural Alliance of schools. The TRA is an informal collaboration of 12 schools from Tenterden and the surrounding villages. We have been working together for several years now and that will not change. You can find the link to the Tenterden Rural Alliance web-site here: www.tralliance.net
