

Dear Parents

2015/2016

As you are aware we now have Parent Representatives for each class. We are hoping to set up a text messaging system for each class to provide you with information regarding upcoming events and general news from the school.

If you would like to be included within the text messages, we are asking you to provide your name and mobile number on the slip below and return it to your child's class teacher. The Parent Reps will then collect them and set up a group message for each Year group.

We are hoping this will ensure all relevant information is passed on to you.

Thank you!

The Parent Representatives
