

Maths Skills

Please practice these skills throughout the term. We will have mini tests in school near the end of this term.

Thank you for your continued support.

Year 2

Summer 2

I can tell the time

Children need to be able to tell the time using a clock with hands. This target can be broken down into several steps.

I can tell the time to the nearest hour.

I can tell the time to the nearest half hour.

I can tell the time to the nearest quarter hour.

I can tell the time to the nearest five minutes.

Three o'clock

Eight o'clock

Half past three

Half past four

Quarter to nine

Quarter to five

Key Vocabulary

Twelve o'clock

Half past two

Quarter past three

Quarter to nine

Five past one

Twenty-five to ten

Top Tips

Talk about time - Discuss what time things happen. When does your child wake up? What time do they eat breakfast? Make sure that you have an analogue clock visible in your house or that your child wears a watch with hands.

Ask your child the time regularly - You could also give your child some responsibility for watching the clock:

"The cakes need to come out of the oven at quarter past four."

"We need to leave the house at half past eight."
