- Continue to:
- Review and revise class rules and expectations
- Think carefully about our school values and how we can show them everyday
- Positive play and learning

## Dinosaurs

Topic Web Term 3 2019

## Other

- Developing handwriting and sound recognition
- Blending
- Number recognition
- Achievement board
- Home learning

## Physical Development (PD)

- Small apparatus
- Music and movement - dinosaur adventure
- gymnastics
- Dinosaur body shapes and sounds
- Cutting and combining skills - create a model dinosaur
- Using tools: brushes, scrapers, plastic knives - to dig for dinosaur bones and fossils
- Continue to- manage own personal hygiene/ changing for PE, fastening coats and shoes

## Mathematics (M)

- Measuring bones/ dinosaurs
- Counting in 2's - dinosaur foot prints
- 2D dinosaur shape pictures
- Order dinosaurs by size
- Estimating - how many dinosaurs are on the mountain
- Give and follow directions
- Create a class pictogram - favourite dinosaur
- Create and solve dinosaur number stories
- Count to 20 / count quantities to 10 / 20
- Sorting objects by height, length, weight, capacity
- 2D shape / 3D shapes - introduce language / properties
- Begin adding two sets together
- Simple subtraction

## Expressive Art and Design (EAD)

- Become an archaeologist - finding bones
- Dino skeleton jigsaws
- Role play - time machine - dinosaur land
- Role play frieze - dinosaur land
- Clay fossils
- Playdough mats
- Plasticine dinosaurs
- Small world dinosaur land with dinosaur eggs and nest
- Design own dinosaur
- Scales - make different surface rubbings
- Choose instruments to make dinosaur sounds
- Fossil tracing
- Pasta dinosaurs
- Listening to dinosaur poems and songs
- Make binoculars

## RE

- RE Plans DoC - Special People
- Me, friends, family, people who help us
- School Values
- Chinese New Year - other religious festivals
